

**BANK DRAFT AUTHORIZATION AGREEMENT**

Nicholson Water Authority is pleased to offer you the availability of bank draft payments. By authorizing this draft, the worry of paying water bills on time is eliminated. We will process all necessary paperwork and will automatically draft the bill amount out of the customer's designated account. Accounts will be drafted on the last business day of each month for their total bill amount. Customers who authorize the drafting of their accounts will receive a monthly bill stating the account will be drafted. This should allow sufficient time for customers to check the bill for any discrepancies before the payment is drafted. To get started, simply complete the application below.

**AUTHORIZATION AGREEMENT FOR AUTOMATIC PAYMENTS**

I (we) authorize Nicholson Water Authority to automatically deduct monthly payments from the checking or savings account indicated below and I (we) understand that the water payment will be deducted from the designated account on the due date shown on the bill. I (we) understand that if my account being charged for my water bill is insufficient to pay my bill, bank drafting will be terminated and a service fee of \$10.00 will be applied. I (we) will remain liable for the timely payment of the bill. I understand that this authorization will remain in effect until the Nicholson Water Authority is notified in writing that I no longer desire the service.
